ENERGY AND ENVIRONMENTAL

U.S. Risk Energy provides insurance coverage for oil and gas exploration, production and servicing accounts. Coverages available include general liability, contractors pollution, professional liability, excess/umbrella, commercial auto, and inland marine. **U.S. Risk Environmental** provides comprehensive contractors pollution liability (CPL) and site pollution liability (EIL) for most classes and locations. Coverage is available on a broad, occurrence-based form for both practice and project policies.

ENTERTAINMENT—FILM, MUSIC AND EVENTS

Take1 maintains exclusive underwriting authority, markets and products for the event support services industry including audio, video, lighting and staging. Take1 has a broad brokerage appetite for film, television and commercial production companies, touring entertainers, concert promoters and event organizers. We insure both service providers and production companies. All-lines offerings include general liability, workers' compensation, inland marine, auto, property, umbrella/excess, media liability, professional liability, and event cancellation/non-appearance coverages.

INSURANCE AGENTS

Our **Insurance Agents Professional Liability** program is available to all agencies, including those who write higher-hazard classes of business such as crop, aviation, long-haul trucking, and similar classes. Admitted and non-admitted options are available.

In addition to our non-admitted proprietary program and brokerage capabilities, we offer a proprietary admitted facility for Middle Market Retail Agents, Regional Wholesalers, MGAs, MGUs, and Program Administrators. Coverage is written on a claims-made and reported policy with first dollar defense, unlimited defense outside the limits, and options for extended reporting periods. The program can accommodate life, health, and accident operations within that threshold. Other policy features include sub-limit for media liability, punitive damages where permitted, B+ insolvency clause, personal injury from professional services, subpoena assistance, a 90-day new acquisition clause, and access to a toll-free risk-management hotline.
