

Specialty Underwriting LIVE Event Service Providers Program Event Planners/Producers/Coordinators

Features

- Take1 is the largest General Agent with stated carrier Underwriting Authority focused on all aspects of the LIVE event service provider community.
- We understand the unique needs of event planners, producers and coordinators who often assist a promoter in planning the budget; selecting the event site, acquiring permits; developing a theme; and arranging for talent and event support.
- Our program assumes the event planner, producer or coordinator will **never** sign any venue contracts as the ultimate responsible party, nor will they assume responsibility for the attendees. However, should the event planner, producer or coordinator occasionally or sometimes become the responsible party with the venue, we can underwrite for this.
- We underwrite on behalf of one of the largest entertainment specialty insurance carriers in the world.

- Our personal articles floater or Inland Marine Floater contemplates equipment rented from others (a common exposure for event planners, producers and coordinators); equipment in our insured's care, custody and control; and equipment in transit.
